Client Status Report

Date: July 18, 2017
Re: Brian David Hill DOB 05-26-1990

I have seen the above named client, Brian David Hill, for about two years. Among the issues we deal with is Autism Spectrum. While he is intelligent and can understand and prepare complex documents his ability to present and support those documents are is very low.

I therefore recommend he not be allowed to represent himself in court.
